Wierschem named High School Business Manager

KENNETH WIERSCHEM

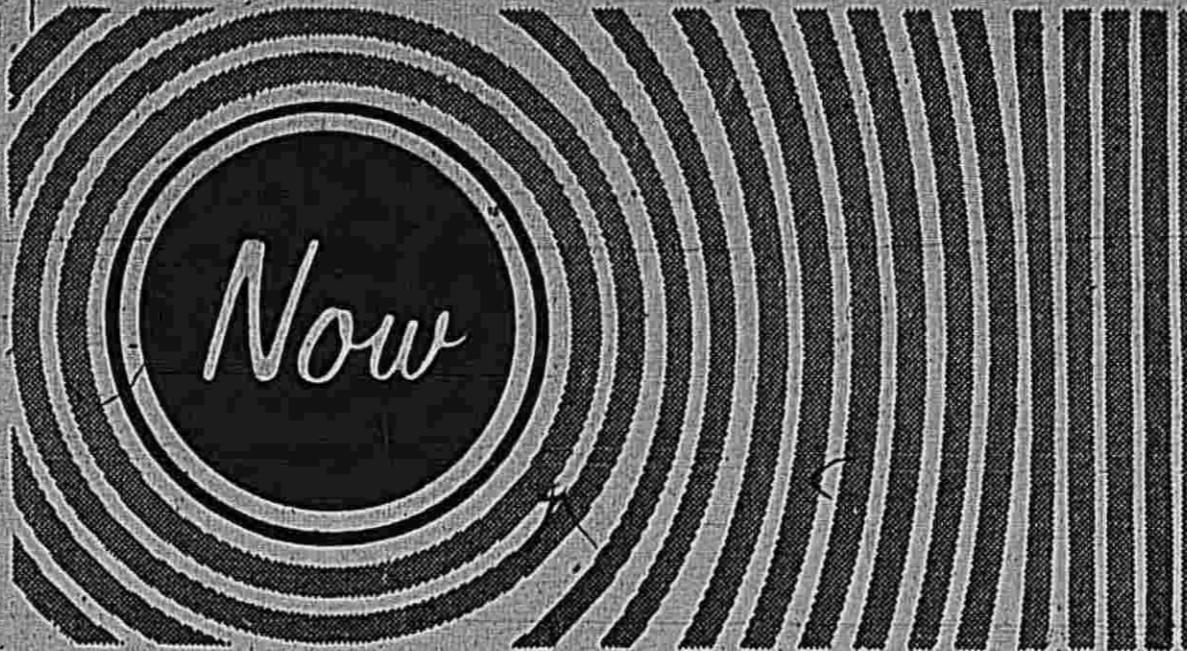

Kenneth Wierschem, 1590 Phillips Circle, who has been a Math teacher at Antioch Community High School for 8 years, has been named as the new Business Manager of the school. He succeeds John Smith, Business Manager for the past two years, who resigned to accept a similar position in Batavia, Illinois.

Wierschem is a native of Milwaukee, having received his B.A. in Math from the University of Minnesota, and an M.A. in Math from Northwestern. After studying electronics while in the Army, he worked

two years with Univac Corp., doing computer programming and field service work on data processing equipment. He has also taken some courses in accounting and has done bookkeeping and tax work in addition to teaching at the high school and the College of Lake County.

The High School Board also considered Wierschem's knowledge of the local system and his ties to the Antioch Community in making their selection. In connection with his appointment as Business Manager, he will be taking courses this year in School Finance and School Law. Smith will stay in Antioch an additional two weeks to help Wierschem adjust to the new position.

Ken and his wife, Jane, moved to Antioch in 1965, when he first took a teaching job at the high school. They now have two children, Julie, age 7, and John, soon to be 5. The entire family enjoys camping and fishing, while Ken and Jane have recently taken up skiing and Scuba diving. Ken will also retain his position on the Antioch Planning Commission along with his new duties at the high school.

School Boards appeal to planners

Several representatives from the various school districts were present at the Thursday night, June 28, Planning Commission meeting. Most of the representatives were the same school board members who had worked together several months back to formulate a housing development policy.

John Steitz of Grass Lake stepped forward as the main spokesman for the group. He said, "None of the schools want to see progress stopped in Antioch, however, we do not want to see an explosive growth. There are three things that I would like to see; first of all a plan drawn up for a P.U.D. ordinance; secondly, forced negotiations between developers and schools and lastly one member from the surrounding districts on the Planning Commission."

On the matter of the last point Steitz said, "That way we could keep you informed rather than

having us come up here with our shotguns loaded."

Steitz then reviewed the school policy, that has not been altered since it was accepted by all six districts several months ago. The policy was questioned by the Planning Commission as to how a "developer" is defined.

According to Steitz, the definition of a "developer" is, "anyone who builds a single family dwelling unit; this includes the single family dwelling unit right on up." He further commented that it had to be defined as such to avoid the charge of favoritism.

The Planning Commission also questioned the School Policy on how close to reality it is. It has been said that the school's formula is too steep and that it really asks too much of the developer.

At this point Steitz commented that it was high and that the developers would probably only want to pay "1/6" of the price that they are asking. He

said that they had only shown it to one developer as of yet.

Steitz further said, "The ones who should see it haven't seen it officially as of yet."

It was also Steitz's feelings that it would not be worthwhile to consolidate the schools.

He said, "We are all in the same boat and that is close to bankruptcy. Our demands are high, but then again our needs are high too. We are not trying to get rich, we are just trying not to go bankrupt over the deal."

After hearing from the schools the Planning Commission once again accepted the school policy and will review it with an eye towards using it as a guideline when annexing property to the Village and negotiating with developers.

The matter of securing a Comprehensive Plan for the Village was the next topic to be discussed. Joseph Hertlein and

FEDERAL GRANT LOOKS CLOSE

Mayor Robert Wilton received an important letter from the Illinois Environmental Protection Agency this week concerning Antioch's Sewer Expansion project and obtaining a Federal Grant.

The letter read, "This Agency has processed to the U.S. Environmental Protection Agency, a State Priority Certification and Project Approval indicating that your sewage works project, C171170, is entitled to Fiscal Year 1973 priority for payment of a

Federal Grant.

Please be advised that this action on our part is not an actual or implied offer of State or Federal Grant Funds for this project. It is merely a recommendation to the U.S. Environmental Protection Agency that a grant offer be extended to the Village of Antioch.

Your project C171170, shall have certification #20-73, which means that your project has precedence over any project of

Mayor Robert Wilton, Chief of Police, Jack Wells, as well as most of the members of the Antioch Police Department were on hand to bid the boys farewell before leaving for a week of camping. BENEVOLENT FUND SENDS BOYS TO CAMP

On Monday morning, July 2nd, seven boys from the various Grade Schools in Antioch, set out for a week of camping and fun. The trip is being paid for by the Antioch Police Benevolent Fund. The boys, who are all between the ages of 11-13, were selected for

the trip after writing an essay on why camp is important to them. They will now be spending a week at Camp Rotary, near Rockford, Illinois and will return on Friday.

The Benevolent Group also supplied each boy with \$5.00 spending money to enjoy and

spend on their trip. A full camping program will be open to them and all of the boys will have an opportunity to meet other boys from all over the State. The entire program is sponsored by the Illinois Police Benevolent Association, of which Antioch is a member.

NOTICE

Tiffany road will be closed from the 8th day of July to the 13th day of July. The road will be open to residents only.

greater certification number."

At the Village Board meeting on Monday night, July 2, Mayor Wilton told the Board that appropriations of State Funds were to be made on June 30th and they expected to hear news at any time as to whether Antioch will or will not receive a Federal Grant.

SPECIAL CAMPERS AT CAMP HASTINGS

Y.M.C.A. Camp Hastings has had some special campers during the past two weeks. The campers have been special in two different ways. 101 of the campers have a serious infliction that is known as muscular dystrophy. The remaining 121 campers were special in that they had volunteered to act as personal camp assistants to the group with muscular dystrophy.

Madeline Sable, who is from the Chicago chapter of the Muscular Dystrophy Association of America, Inc. commented that the volunteer assistants act as the arms and legs for the patients. They ride with them and stay with them in the water. The help them personally in every way and help to make this whole campout possible.

Muscular Dystrophy is a disease that generally attacks the very young and gradually deteriorates the muscles. The most common type strikes young boys and is a severe crippler. The disease results in death, and as of yet there is no

Each muscular dystrophy patient-camper enjoyed horseback riding each day. All of them were also given moral and physical support by a volunteer assistant, who spent every waking moment with them. (staff photo)

cure for it. It can also be contracted during adult life, and therefore, there were some adult campers who also enjoyed the week at Camp Hastings.

There have been two one week sessions at the camp. Sadly enough the Muscular Dystrophy Association wishes that it was financially capable of renting the camp for more weeks, but until the funds can be raised they will have to be content with the time that they can afford.

Besides the many camp attendants that had volunteered to help, there are also many professional people who have made similar donations. Many doctors, nurses and physical therapists have donated their time and help to these special youngsters. There is no charge for the workers or patient

campers for their stay and all seemed to be thoroughly enjoying themselves.

According to Ms. Sable, many of these youngsters have been looking forward to this special week all year. This is the fourth year that they have used the Camp Hastings facilities, however, the Association has maintained a camping program for the past 17 years.

The cure for Muscular Dystrophy is still being sought and research is being carried on this very minute. In order to raise money for the badly needed research and to help continue needed and appreciated projects like the Camp Hastings campout, a National Telethon will be held on September 2nd and will be hosted by the National Chairman, Jerry Lewis.

THE BICENTENNIAL IS HERE AND NOW !

WE WANT YOU TO KNOW

Amidst all the words describing the forthcoming American Revolution Bicentennial, there remains one central point - on July 4, 1976 this Nation will commemorate its 200th Anniversary.

There are many ways in which we can choose to commemorate that Anniversary.

There is, of course, the standard way - a massive Birthday Party for our Country, with all the trimmings. Parades and speeches, rockets and a fiery show of patriotic pride. We're certain to have that in any case.

But there is another, deeper meaning - and an opportunity - to the Bicentennial. This Bicentennial Era can be put to use to benefit all Americans - and all Mankind as well.

The Bicentennial can serve as the focal point for a Continuing American Revolution. The Bicentennial can gather the initiative, the ingenuity and the energies of this Nation - this People - together, to move the American Dream much closer to reality for every single citizen, no matter what his origins.

In short, the Bicentennial can serve as a focal point to get on about the business of improving our Quality of Life.

If all of us start now and act together, major steps can be taken by the time of our Bicentennial to begin to solve the energy crisis, and at the same time satisfy our human need for a healthy and pleasing natural environment. Using the Bicentennial, we can step up the work to eliminate urban blight, and assure the improved public transportation, more attractive environments and better planning our urban areas need. By 1976, we can be a long way down the road toward ending lingering discrimination in all its forms. When we think and act united, we can formulate better plans to educate our Youth. We can help instill deepening respect for Law and Order. And we can do even more, when we work together in this Nation, in this Heritage we call America.

MCCLORY REVEALS QUESTIONNAIRE RESULTS

In addition to the more than 40,000 responses received to this year's questionnaire, more than 1,000 letters were generated in which constituents amplified their responses to the 12 subjects covered in the computerized poll. Replies to most of these letters have now been mailed and the complete summary of the survey results have been delivered to the Postmaster for mailing.

Having commented in a previous report from Washington on the first six questions, it seems appropriate to add comments here on the final questions in the survey.

7. On the seventh question which dealt with a proposal for stronger laws to deal with strikes that threaten our national communications and transportation facilities, more than three-fourths of the adult constituents responded with a resounding "Yes." While high school students were slightly less emphatic they voted, nevertheless, by a margin of 2 to 1 in favor of stronger laws to deal with such threatened work stoppages. This response indicates a definite need for such legislation - and implies that the acknowledged "right to strike" which prevails in most management and labor relationships is not acceptable when the entire economy or social system is threatened by a closedown of transportation and communication facilities.

8. Even more emphatic was the demand that welfare recipients should be required to work - if they are able to do so. An overwhelming 95 percent of the adult constituents took this position, and students favored such a work requirement by a 4 to 1 margin. Recently, the United States Supreme Court gave its approval to a New York statute which applies this principle.

9. On a related subject, adult constituents would prohibit the issuance of food stamps or the making of welfare payments to workers who are out on strike. Students were less prone to adopt such a harsh position, with only 43 percent wishing to deprive families of striking workers of such benefits.

10. While the Supreme Court may already have ruled against the Constitutionality of tax credits for parents who send their children to parochial schools, it should be pointed out, nevertheless, that only 44 percent of the adult constituents favored such a moderate approach for aid to parochial schools. The student average was identical with that of adults. However, it should be pointed out that students in the two Catholic schools which were polled (Marian Central of Woodstock and St. Edward's of Elgin) voted 98 percent and 88 percent respectively in support of such tax credits.

11. On the sensitive issue of Federal minimum wage legislation as it affects teen-agers and farm workers, only 43 percent of the adult constituents support exceptions for such part-time or seasonal workers. Among students, a mere 31 percent favored such exceptions - probably on the basis that teen-agers in many cases are worth fully as much as their more adult counterparts. Indeed, it is most difficult to find fault with this argument.

12. Finally, on the issue of

modifying environmental standards to meet our increased energy needs, both adults and students by a 3 to 2 margin favor a relaxation of the stricter anti-pollution requirements. While the current gasoline shortage, the threat of brown outs and other hardships may account in part for the reduced emphasis on clean water and clean air - the responses to this question appear to indicate the overall view that environmental

lists may have gone too far. At any rate, when faced with the inconvenience which some stringent environmental standards impose, citizens young and old appear to take a more realistic position than when confronted with the abstract issue of clean air and clean water.

The tabulation of the final questions in the 1973 - 13th Congressional District survey follow.

Congressman Robert McClory discusses plans for "Decade of Service" dinner meeting, Friday July 13, at the Sheraton Waukegan Inn, with his colleagues, Congressman John Erlenborn and Congressman John Anderson, both of whom will be participating in the McClory testimonial fundraiser. Senate Leader, Senator Hugh Scott will be the keynoter.

Dear Mr. and Mrs. Rush:

With the June 27, 1973 issue of the ANTIOCH NEWS, I note that you folks are celebrating your second anniversary with the ANTIOCH NEWS. Let me take this opportunity to congratulate both of you on an outstanding job during these last two years!

Let me also take this opportunity to thank you on behalf of the Lake County Life Underwriters for your outstanding public service to our organization. We are most appreciative of it, and we certainly want to take a moment to thank you both for all that you have done in publicizing our organization.

Being aware of the nature of a home-town newspaper, I realize the limited space that you have. Thus, we are indebted for your generosity in publicizing our events.

May I once again congratulate both of you for your outstanding job and may I wish you all many, many more years of continued success and happiness!

Sincerely,
John F. Conarchy,
Publicity Chairman
Lake County Life Underwriters

Among the remains of the old barn that burned down on Rte 83 on June 10, owner Ted Wertz shows reporter Kathy Kauss some of the old newspapers that survived the blaze. (staff photo)

FROM OUT OF THE PAST

On June 10th, Ted Wertz's barn on Rte. 83 burned to the ground. All was lost of its contents including a boat and several snowmobiles that were stored in the barn.

However, weeks after the fire, some of the barn's shred s of history refused to die and have worked their way up through the ashes and rubble into the daylight. Newspapers are not generally by their very nature known to be more durable than snowmobiles, but oddly enough several old newspaper's survived the fire.

It is Wertz's opinion that they must have been in some kind of container, "maybe a trunk" he said, "but we don't really know, they just showed up in the wreckage."

Although it is not known just how old the barn is, it may be accurate to guess that it must have been close to 100 years old. One of the Newpapers that surfaced was dated March 19, 1870, which makes it 103 years and it is in pretty good shape.

There are many interesting things in this 1870 paper, that is titled the Menominee Herald. There is a long story on the front page that is entitled "The Little Snow Boy". The first paragraph reads, "Many who read this will remember the heavy snow that gave New Year Day of 1867 so cold a reception of the day, after its birth, when all the people woke up to see the whole of the world, were it town or country, shrouded in spotless white."

Not many who are now reading this article will remember that spotless snow of so long ago. Nor would they remember that at the same time the small pox prevailed in Paris and the United States Supreme Court decided that President Lincoln's provisional courts in the South were legal tribunals.

On the second page of the paper there was the following story: "A few days ago a very starchily-dressed individual called at an out of the way shop of Howard Street, over which swung the sign of Dr. Jeffries. Is the doctor in? he inquired of a dilapidated darkey who answered his summons. "He am dat, sir!" was the smiling rejoinder. "Tell him that I have got the

symptoms of small pox and would like to consult him." The white's of the darkey eyes grew intense, and his dusky complexion assumed rapidly a creamy hue. "Golly boss what you say?" Tell the doctor that I am sick with the small-pox and wish to see him." The astonished Africa gave a wild leap, and darting through the inner door, slamming it in the visitors face cried out - "Leave dis yer house; I don't want no smallpox!" "But the doctor?" "Golly boss, I'se the doctor, but I ain't good at smallpox."

Two other newspapers were also found. The Telegraph Courier of Kenosha, Wisconsin dated July 4th, 1895 was one of them. The following are some interesting tidbits that were found in that paper:

"If the Chicago financial debate would really settle anything, there would be some excuse for holding it."

"The tide of immigration is responding to the improved condition of business, the increase in the arrivals from Europe since April amounted to 1% over the last year."

"Theodore Taylor was stabbed in a quarrel. He will probably die. No arrests have been made as yet."

"Black suits and patent leather shoes, it is said, were required of participants in the graduating exercises of the Evanston, Ill. public schools this year. America's greatest men have managed to get along in their race to fame and fortune without the assistance of black suits and patent leather shoes. Evanston needs a change in its public schools authorities."

The third paper was entitled the Sunday School Classmate and was dated April 7, 1888. This paper is also filled with little goodies.

Mr. Wertz also found a very old I.O.U. among the rubble in which Egbert promised to pay Margaret \$200 within the year. The interest rate was pretty steep for 1887. Margaret must have been future-minded as the rate was set at 5%. The promissory note is a little different than one that would be

signed today. It is hand written on ledger paper, unnotarized, and was more than probably backed up by a good old hand-shake.

Another interesting item was a receipt for Mr. Charles Avers Poll tax payment in 1912. Mr. Avers payed a tax of \$1.25 that was assessed to him by the Commissioners of Highways. Mr. Avers was the former owner of the barn.

The last rare find was John Hoiseradt's Antioch Athletic Club Room card dated December 1st, 1895. The rules of the Club are posted on the back. "The club room will be opened each week day evening from 7-10. No smoking is to be allowed in the Club room. The object of the club shall be social amusement."

SMOKEY IS A HERO

Smokey is a hero. At least in the Oakwood Knolls Subdivision he is. Smokey is a year old little dog who, according to his owner Brien O'Neil, 10, "is part poodle and I forgot but part something else too."

This week Smokey had a hair-raising experience as he was out walking with Brien's grandmother, Mrs. McGorey of Antioch, on Cedarwood Road. It seems that a doberman pincher, who was also out for a walk, took a liking to Mrs. McGorey, and decided to jump up on her for a closer look. Smokey came to her rescue and tried to chase the pretentious doberman away but ran into some serious difficulty. The doberman, who at this point was much perturbed, picked Smokey up in his mouth and swirled him around and then threw him up on a nearby lawn.

Meanwhile, the plot thickened and a concerned and brave

neighbor, by the name of John Gurea, came to Smokey's and Mrs. McGorey's rescue. He chased the bothersome and unruly doberman away. But the doberman was not about to be chased away and returned for a second unwelcomed visit.

By this time, Smokey, who had already felt the pinch of the doberman, was not about to be further intimidated, harassed or swirled about. So with his adrenalin flowing, he bravely fought off the doberman and chased him clear out of sight.

When the job was done, Smokey escorted Mrs. McGorey safely home. When the mission was accomplished, he took a weary, somewhat painful trip to the local vet, where he received 28 stitches in his side.

Brien said that Smokey is recovering nicely, but does not often speak of heroic deed or his cumbersome trip to the vets.

ANTIOCH CHAMBER SPONSORS ART FAIR

One of the midwest's outstanding art events of the summer will take place Saturday, July 21, at the first annual Antioch Arts, Crafts and Antiques Fair.

More than 100 artists, artisans and collectors will have a complete array of art objects on display on the sidewalks of Antioch from 9 a.m. to sundown, according to William Barr, chairman of the fair.

A highlight of the fair will be an auction at 2 p.m. where original artwork will be put on the sales block for sale by Herman Behm, one of the Midwest's best known auction-

ers.

Antioch businessmen have posted more than \$2,000.00 in Purchase Awards, Barr stated, to insure exhibitors certain sales of a substantial portion of their art work.

Barr said the Antioch Chamber of Commerce and Industry, sponsor of the event, will provide courtesy transportation from a free parking area at the Antioch Community High School and the Antioch Industrial Park to the exhibit area. Shuttle buses will be running every few minutes throughout the day.

In case of rain, the show will be held at the high school.

B-J RUSH of Antioch

BOARD — PLANNERS CONTINUED

From Page 1

Cranston Byrd, who are planners with the Lake County Regional Planning Commission, and who have been working on the Comprehensive Plans for Antioch for the last year and a half, were present at the meeting. They presented a series of completed maps to the Planning Commission including 4 soils maps and 4 base maps. A Planning Studies covering population, housing and Socio-Economic aspects of Antioch was also presented.

It was the opinion of Joe Hertlein that the Comprehensive Plans were progressing at a fast rate of speed.

He said, "Now that we have completed the County study, we seem to be making good headway. Today, in fact it seemed like the whole office was working on Antioch."

When questioned by the Planning Commission on the effects that the new director would have on the progress of the study, Hertlein responded, "I do not know what the philosophy of the new director is at this point, but I do know that he is committed to carrying out projects already in progress."

Hertlein was also asked if he thought that it would be desirable on the part of the County to be released from their contract with Antioch, to which he answered, "I don't think so, because in this case we have an opportunity to create a plan and to see the coordination between Antioch and the County. The timing is just right."

The deadline for the project was discussed. Hertlein commented that Phase One would undoubtedly be completed by the end of July and the rest of the Plan, which includes the land usage maps would be completed by the end of September or the first of October at the latest. The plan should be in finalized form by January first according to Hertlein.

Before Hertlein and Byrd left the meeting, Hertlein addressed the Board and asked, "Would you like us to continue with our work?" To which the Chairman of the Planning Commission, Bob Bemis, responded, "I think that since you are making progress at this time, that, yes, I think that you can go ahead."

After their departure there was much discussion on the matter. In the preceding week Commission members, Ken Wierschem and Ron Martin had spent many hours interviewing independent planners and they told the Commission that they were much impressed with what they saw.

Ken Wierschem, after studying the matter made several suggestions to the Planning Commission. He told them that he thought that it would be advisable if they interviewed two of the planners that they had talked to in the past week. He recommended that at the next meeting the Barton, Aschman Inc. from Chicago and the Harland, Bartholomew, and Associates of Northbrook be permitted to make a one hour presentation, to which the Commission agreed.

Wierschem's second point, which he stressed and added an exclamation mark to, was that the Antioch Planning Commission get out of their contract with the County.

"Yes, it would be more expensive," Wierschem said, "but I am not sure that you don't get what you pay for. Hertlein said here several times

tonight that Antioch is a trial to see if their plans can match the County plans, and I don't think that this is what we want."

Negative feelings were also expressed by Wierschem on the subject of the Planned Urban Development that the County has drawn up for Antioch.

"The Antioch Planned Urban Development Ordinance is pure plagiarism. If two people sit down and read the two documents in unison they will be reading the same words except one man would be saying Lake County in spots and the other man would be saying Antioch," said Wierschem.

It was also expressed by the Commission that Lake County's P.U.D. Ordinance is not working well for them, what makes them think that it will work for us?

Some 2,500 persons attended the Antioch Annual Firemen's Dance that was held Saturday, June 30th, in the Fire hall. It is the opinion of many that this was the largest turnout for the dance in its 40 some year history. The money that was raised by the dance will be used to buy new equipment for the department. Door prize winners were: Old Hickory Inn - TV; Charlie Holmes - Pair of Skies; J. Johnson - Lantern; Julie Jozefowicz - Picnic table; and Don Shubert - Charmglow Grill. (staff photo)

Miss Harriet Wells was chosen Grand Worthy Associate Advisor at the 32nd Grand Assembly session.

SOME INTERESTING FACTS ABOUT ANTIOCH'S POPULATION

Based on the Population Study prepared by the Lake County Regional Planning Commission for the Antioch Planning Commission and presented at Thursday night's meeting, June 28th, the following information can be derived:

Antioch has consistently grown faster than Lake County since 1940.

The Antioch Township has grown faster than Lake County since 1940.

The Village of Antioch after a slow start, has increased since 1950 by a higher percentage than Illinois, the Chicago Standard Metropolitan Statistical Area, Lake County and Antioch Township.

The unusual rapid growth rate in the village from 1950 to 1960 was a reflection of the high rate of growth in the country. Between 1960 and the special Census taken in 1965, the growth rate averaged 4.5. From 1965 to 1970 the yearly rate dropped to 3. From 1970 to the special Census of 1973 the yearly rate accelerated to 4.7. The count of all persons in the Village of Antioch in 1970 was 3,189. In May 1973 it was 3,635.

Fox Lake and Antioch Township have higher percentages of people 65 years and over with the Village of Antioch on top. Lindenhurst is obviously a Village of predominantly young families.

The age bracket 25-34 years showed a much higher rate of increase in Antioch than in the County. Many in this age group have moved into the township as a result of job opportunities.

The Village of Antioch and the Township have more husband-wife households with no children under 18 than Lake County, and has more individuals living alone.

There are 362 homes in the Village of Antioch that are over 30 years of age and there are

1,325 homes in Antioch Township that are over 30 years of age.

THE DAY THAT MAIN STREET BECAME "THE MILKY WAY"

The pictures of milk being dumped in the snow, which appeared in last week's Remember When feature, probably struck a responsive chord in many a family milk buyer so much so that it was decided to do some extra research into the incident.

The pictures were probably taken in January 1929, not in 1927, as was written on the back of the prints. The first mention of a milk strike appears in THE ANTIOCH NEWS dated Thursday, January 17, 1929:

"Demanding a raise from \$2.50 to \$2.85 a hundred pounds of milk, farmers picketing the highways leading to country receiving plants in Lake County Wednesday dumped 4,000 pounds of milk into the snow." The story goes on to describe specific incidents, including one in which an Elmer Gustafson of Antioch was stopped near the Bowman plant in Gurnee.

Events continued during the following week, and the situation came to a climax, "...when militant Lake County farmers, armed with pick axes, crow bars, and sledge hammers 'held up' two Soo Line trains and dumped out their cargoes of 272,000 pounds of milk...at Lake Villa." (ANTIOCH NEWS, January 24, 1929)

Representatives of the milk producers (the Pure Milk Association) and the dairy companies met and finally agreed to solicit the advice of an outside arbiter "at 4:30 a.m., Tuesday morning." A Dr. Clyde L. King, professor of economics

REMEMBER WHEN

Perhaps the incident pictured last week was the same one described in the January 24, 1929, issue of THE ANTIOCH NEWS:

"In Antioch milk rushed down Main Street in streams. As one woman remarked, Main Street was truly 'the milky way.' The Leland Dairy Company of Evanston had arranged to have deputy sheriffs escort their truck across the county. It arrived at the station line (State line?) a half hour earlier than expected, and at Antioch the load was spilled before the deputies arrived."

AUGUST IS FAMILY PORTRAIT MONTH

before they grow up and grow away from the family group...

KEEP THE FAMILY TOGETHER IN A PORTRAIT PHOTOGRAPH

Many families are returning home in August when summer courses, camps and vacations come to an end.

Since many children go away to school and the family may not be together again until the year-end holidays, this is an ideal time to plan family activities as a group - a time to get back-to-school wardrobes together and to have a contemporary, natural portrait taken of the family by a professional photographer. A color photographic portrait has marvelous gift-giving and home-decorating possibilities.

A family portrait takes only an afternoon. The best way to go about it is to call B-J Rush Studio at 395-5554, decide on an afternoon and make plans together.

You will want to decide whether the portrait should be indoors or out. Many suburban families prefer to have an environmental portrait photograph done on their property or in an attractive near-by location. For instance, your family can be photographed as

a group on the tennis court, ice-skating in an indoor rink or at a local park. Any of these create an appealing setting for an action portrait.

If the portrait is to be done in the studio, we will place the family into a warm, natural grouping, designed to look relaxed and happy, rather than formally posed.

Once the color portrait is complete, everyone can go over the proofs together to make an appropriate selection. A 16x20 print of this type of photographic art is especially attractive when placed over a sofa or fireplace as the focal point of a room. B-J Rush Studios can advise you about appropriate framing. A portrait photograph of your family can be used also as a warm personal Christmas card, or for birthday or anniversary gifts for family members.

For a special surprise when the portrait prints are ordered, give Dad a large family portrait for his office with a tailored leather or suede frame - or save it and let Santa put it under the tree.

SUMMER AT THE UPPER GRADE SCHOOL

The summer session at the Antioch Upper Grade school is a little bit different than the usual happenings at the school. For one thing the building is much more quiet. A good reason for this is that there are only 150 enrolled in the summer school session and only 11-12 students in each class.

There are nine teachers who have been busy participating in the program, with reading, math, recreation and crafts being offered. Last Thursday and Friday the program was somewhat altered and the students saw a movie on both days. However, on Monday when the Antioch News visited the school the students and teachers were busy in their regular routine.

In the gym, Marty Booth, who

If you don't believe that reviewing the multiplication tables can be fun, just stop in at the Antioch Upper Grade school some morning and you are bound to be surprised. (staff photo)

Although it is not basketball season, students attending the grade school summer session get in a little practice during a recreational period. (staff photo)

TENTATIVE HIGH SCHOOL BUDGET REVEALED

A budget for the 1973-74 school year at Antioch Community High School was given tentative approval by the School Board on Thursday, June 28th. A complete, detailed copy of the proposed budget is on file in the school business office and is available for public inspection. Final consideration of the budget will come at the next regular Board meeting, July 26th.

The budget calls for expenditures totalling \$1,971,566. These are matched by receipts of \$2,127,845, for a budget surplus of \$156,279.

Although the proposed budget shows a surplus, the need for tax anticipation warrants was discussed. These are needed, since the cash does not always come in as rapidly as it must be spent. By the use of these warrants, money is borrowed for immediate use, to be paid back out of anticipated tax revenue. The Business Manager will compute the amount of tax anticipation warrants that will be needed and inform the Board at its July meeting.

The Board also hired five new teachers for the coming school year, on the recommendation of Superintendent Warren Polley. They are:

-John Olsar, a graduate of Antioch High and the University of Wisconsin (Parkside), who will teach Instrumental Music.

He is the son of George Olsar, who directs the grade school music program.

-Kathleen Horine, a graduate of Western Illinois, who did substitute teaching at the school last year. She will teach English and direct the yearbook staff.

-Harold Abramson, a graduate of Illinois State, who will teach biology and coach baseball.

-Gayle Karhanik, a graduate of Northwestern, as counselor. She is completing her master's degree program this summer.

-Mark Guthrie, a graduate of Southern Illinois, to teach business education and coach Freshman basketball.

Letters of resignation were accepted from Roxie Pickett, Speech teacher, and John Smith, Business Manager. Both Supt. Polley and Board President Robert Lindblad commended Smith for his work during his two years in Antioch. After a lengthy executive session, Kenneth Wierschem, Math teacher at the school, was hired to succeed Smith.

Bids were opened and approved for several items, including: Milk (Spinney Run Farms, low bid), Ice Cream (Schoep's, low on total bid) Bus Tires (A-Tire Co. of Round Lake), Gasoline (Olson Oil Co.), and Industrial Arts equipment (Broadhead-Garret). Concerning gasoline, the Board enthusiastically accepted Olson's bid of 29.1 cents per gallon, as

is a Senior at Barat College in Lake Forest, was busy supervising the recreation period. Each group of students engage in a half hour recreation period each day. There are four supervisors of this program, who see that the students enjoy themselves safely and happily. The supervisors are: Mike Perrone, who is a Junior at the Antioch High School; Elaine Wells, a student at Augustana; Joan Harmon, a Sophomore at I.S.U.; and Debby Wick, who is a student at Grant High School. The recreation period is held indoors when the weather is formidable, but most days the students have been playing outside.

Down the hall from the gym a group of 5th and sixth graders-to-be, were busy reviewing multiplication tables and division. Mr. Bob Eisen, who normally teaches at the Antioch Grade School, teaches the students math for an hour each day. Different methods of teaching are used to make the program interesting and the learning fun as well as easy. For instance, while reviewing

the time tables, Mr. Eisen would show the students a problem such as 9 x 9. Students each have 2x3 cards on their desks each having one number from one to ten. Then they decide the correct answer and in this case would hold up the 8 and 1.

In the next room Mr. Booth and his class are busy working in the Language arts program which rotates with the crafts program for 45 minutes a day. On Monday the students had just seen the movie, "Larry, Mr. Jenkins, and the Antique Car." The movie told the same story from the three different view points of each of the groups in the title. The students after having seen the movie were then practicing their creative writing talents by manufacturing a tale from the point of view as an inanimate object.

Other students at the Upper Grade School were busy working with the new system program, which is a relatively new concept in learning, more will be heard about these later.

TRAFFIC OFFENDERS ARRESTED

On Sunday, July 1st, at 10:05 p.m., Officer Hannum of the Antioch Police Department observed a car on Orchard and Main Street. The car stopped at the stop sign and then started to make a left hand turn on to Main Street. At this Officer Hannum saw the passenger on the right hand side of the car push over the pedestrian crosswalk sign.

Officer Hannum pursued and stopped the vehicle and arrested the driver James. W. Goetz,

18, of Antioch and the passenger, Kenneth Dean, 20, of New York. The youths were arrested on the following three counts: Disorderly conduct, open transportation of liquor, and driving while intoxicated. They will appear in Court on August 6th, 1973 at branch no. 3 in Fox Lake, Illinois.

Chief of Police, Jack Wells, commented, "These signs have been placed in various spots by the Village of Antioch for the safety of pedestrian traffic and should not be tampered with."

several area schools have not yet been able to find any companies willing to bid on their gasoline contracts. Last year's contract cost 22.3 cents per gallon.

In other business, the Board: -approved payment of routine bills and payroll totalling \$173,850.77.

-created new titles for two existing positions that will allow these salaries to be claimable for State transportation aid.

-transferred the balance from the Working Cash Fund for the year just ended to the Education Fund, where the money is needed.

-adopted a revised maternity leave policy which allows more flexibility, as indicated by recent court decisions.

-received a year-end discipline

summary from Mr. Blecke, showing that the number of student referrals had decreased 200 from the previous year.

-approved the payment of \$116.02 in back taxes to obtain clear title to a 7 foot by 200 foot strip of land in the middle of the school parking lot that had been overlooked in past land acquisitions.

The Board members received strength to deal with this rather lengthy agenda from a delicious cherry pie baked by Supt. Polley's wife.

At the next regular meeting, July 26th, Merv Pilote, from the County School office, will give a presentation on the plans for a Lake County Area Vocational Center. The public will be specially invited to hear about this proposal.

LAKESIDE REBEKAH

LODGE NO. 82

Mrs. Clarence Larson, Mrs. Harold Ellis, Mrs. Wayne Jones and Mrs. John Hagen of the Lakeside Rebekah Lodge of Antioch, were honored visitors at the Waukegan Rebekah Lodge, June 22nd, on "Guests Night". On July 18th, the Lakeside Rebekah Lodge will be hosting "Past District Officers of District Association Three" at the Antioch American Legion Home, starting at 8:00 p.m. Mrs. Charles Ferris, Noble Grand, will be the presiding officer. A large group is expected to be in attendance since all the Rebekah lodges in District Three are invited to this meeting. Lakeside Rebekah Lodge will have a booth at the Renaissance Fair on July 21st.

Social Notes

by: Del Jahnke

The senior and junior Ed Jahnke's and the Robert H. Dunlap's enjoyed a pleasant visit with Del Jahnke's step cousin, Robert Kattner, and his wife, Velda, from Pennsylvania plus Del's sister, Mrs. Charles K. Ide from Downers Grove, Illinois. The cousins hadn't seen one another for ten years, so recalling old times was the "order of the day!"

Mrs. Walter Buchert, Lake Catherine, had a "happy day" last week, when her sister and brother-in-law, the Roy Ratiere's of Fond du Lac, Wisconsin, drove in, picked up Mrs. Buchert and then went on to McHenry to get Mrs. Roy Radlein (the third sister). They then went out to dine and do some more driving in the lovely countryside. Some forty members, descendants and a few guests of the Drom family were at their annual family reunion, held at the Trevor Social Center, Trevor, Wisconsin, on June 24th. From Milwaukee can Mrs. Helen Prohl, Joseph and Jean Sponder and son Jeff. Nearby Fox Lake had John and Louise Ekes in attendance. Mrs. Scott Flatow, Sandy Holtz and daughter, Tina were there from Oak Creek, Wis. Mr. and Mrs. William Prohl, and daughters, Peggy, Pamela, Penny and Paula "hailed" there from Hales Corners, Wisconsin. Gilbert and Laura Haisma came from Salem, Wisconsin. The one family member who was in her home town was Mrs. Edward Gordon. A group that arrived from Joliet, Illinois were Mr. and Mrs. Jake Drom and four grandsons; Mr. and Mrs. Joseph Foster and daughters, Mary Lynne and Susan. Antioch brought forth Floyd and Clare Horton, Mrs. Harold Ellis, and Miss Edna Drom (the last three all Drom sisters) Mr. and Mrs. George Olson, Mrs. Clarence Larson, Mr. and Mrs. Robert Ellis, and daughter, Amy.

August and Matie Drom of Manitowac, Wisconsin, were unable to be present, but had recently celebrated their Golden Wedding Anniversary. Many of the family were able to attend this anniversary party, including the Floyd Hortons of Antioch. It is heart-warming to hear of family reunions CONGRATULATIONS TO A FINE FAMILY!

New officers of the Rotary Club were installed June 26. They are (l to r): Mike Warren, President; Bill Brook, Vice President; Wally Daniels, Treasurer; and Jim Hanlin, Secretary. (Staff Photo)

ROTARY INSTALLS NEW OFFICERS

The Antioch Rotary Club held their installation dinner at Joe and Helens on Tuesday, June 26. A steak dinner was enjoyed by all the members and their Rotary Ann.

Mike Warren acted as master of ceremonies for the evening, introducing and installing the new officers for the coming year. New officers are: Mike Warren, President; Bill Brook, Vice President; Jim Hanlin, Secretary and Wally Daniels, Treasurer. New directors are: Bob Motto, Vern Thelen and Mike Sutter.

Charter members Cliff Vanderwerker, Les Shaffer, Irv Pederson, Bob Motto, Vern Thelen, Walt Daniels, Gene

Zannini, Mike Warren, Vince Patla, Owen Duffy and Bill Mendlala were presented with 4-Way Test plaques.

A past president's pin was presented to Mike Warren and Randy Bussone was honored as retiring secretary. Irv Pederson and Ken Muzzucca were also honored as retiring board members.

One of the highlights of the evening was the dedication of the Antioch Rotary Club "Weenie Wagon". The Wagon will be seen on the streets of Antioch soon manned by Rotarians and Inter Act Club members. Proceeds from this venture will be used for worthwhile community projects.

Along the Way with *Annie Mae*

WHAT a lovely night for the Firemen's Dance. Saturday night, June 30 brought the whole town to the corner of Orchard and Broadway, Antioch. Good fellowship, good food and drink and good dancing. Who could ask for anything more, and all for a great cause.

Hope Shirley Gutowski and Sharon Watson hadn't planned to serve hot dogs for Sunday dinner. Bernie and Ken served so-o-o many Saturday night that I bet they saw them jumping over fences in their sleep. By

the way men - they were GREAT!

Fond farewell to Gloria and Fred Holbert and family who are leaving Antioch and moving to Goshen, Indiana. Best of luck, we hate to loose you!

Farewell to Mrs. Earl Pitman of Victoria Street, Antioch, too. She has sold her house and left for Florida to take up permanent residence there. Mrs. Pitman was a life long resident of Antioch. She was accompanied on the trip by her

The Rotary Club "Weenie Wagon" will be a familiar sight on Antioch streets this summer. Club officers (l to r) Wally Daniels, Jim Hanlin, Bill Brook, and Mike Warren display the wagon. (Staff Photo)

neice Mrs. Don Mulks from Burlington, Wisconsin. Come back to see us soon!

On the good side, Welcome to Mr. and Mrs. F.W. Casperson who recently moved here from Glenco. Hope you soon love Antioch like we do.

The Gallahers on Spafford Street had a couple of visitors this last week. Two Cecropia Moths were enjoying a stay in their evergreens right in front of their house, unperturbed by onlookers. The Cecropia is a large moth with a wing span of a good 6 inches. Are mainly brown and orange and white on the wings and orange and white body that looks like a spider. They are quite lovely.

Our sincere condolences to The Don Amundsen family on the loss of Don's father, Mr. Hilmer Amundsen. Our thoughts are with you.

We hear that Lynne Sterbenz is having a rough time of it. Hang in there gal, we are all pulling for you, and would gladly share the pain if we could.

Sending happy birthday wishes this week to Donna Gutowski and Donna (Yopp) Coffill on the 6th. And loving wishes also go to David Rush on the 6th. Gail Volling celebrates on the 9th and Ed Jahnke sr. has his special day on the 10th.

Anniversary wishes go to Sue and Mike Haley on July 10.

Keep July 21 open for the First Annual Antioch Arts, Crafts and Antiques Fair from 9:00 a.m. to Sundown. It's going to be a big day and you will want to be part of it. Auction starts at 2 p.m. for original artwork at bargain prices.

Top off the evening with the opening night of Threepenny Opera at the PM&L Theatre. Phone now for reservations 395-9702.

See ya at the poll. Speaking of the pool - congratulations to the Antioch Swim Team. What a way to start off the season!

On my way,

Annie Mae

OPEN DAILY THRU SEPT. 16

OWNED BY THE STATE HISTORICAL SOCIETY OF WISCONSIN

American Legion Auxiliary

Election of unit officers was held at the last meeting of the Antioch American Legion Auxiliary 748, when they met at the Antioch American Legion Home. Mrs. John L. Horan, President, conducted the meeting.

The same slate of officers who served last year, was voted into office again. Mrs. John L. Horan will be President (it will be her seventh term, but not running consecutively); with Mrs. Ray Rathmann as First Vice President; Mrs. Samuel Pettigrew, Second Vice President; Mrs. Frank Kennedy, Treasurer; Mrs. Edward Jahnke, Historian; and Mrs. Lester Zitkus, as Sergeant-at-Arms. Mrs. J. L. Horan again appointed Mrs. Bernard Stadick as Secretary; and Mrs. Ralph Fields as Chaplain. The Junior Past President will be Mrs. John W. Horan.

Delegates elected to 2nd Division were Mrs. Frank Kennedy and Mrs. Earl Horton. As Division President, Mrs. Rathmann, and Division Chaplain, Mrs. Jahnke, are automatically delegates.

Mrs. Arthur Dahl, State Chaplain, has written Mrs. Jahnke, asking her, in her capacity as 2nd division chaplain, to participate in the Department Memorial Service, which will take place in July during the Department convention.

Mrs. J. L. Horan and Mrs. Jahnke were elected as delegates to the state convention, with Mrs. Kennedy and Mrs. Pettigrew as alternates.

Poppy co-chairman, Mrs. Kennedy and Mrs. Pettigrew, wish to give grateful thanks to legionnaire, both senior and junior Auxiliary volunteers; and to a MOST GENEROUS PUBLIC, who all helped make this year's POPPY DAYS THE MOST SUCCESSFUL YET!

Seven past presidents attended the 10th District Auxiliary's past president's parley dinner - Mrs. John L. Horan, Mrs. John W. Horan, Mrs. Lydia Peterson, Mrs. Evan Kaye, Mrs. Ralph Fields, Mrs. Ray Rathmann and Mrs. Edward Jahnke - held at the Elks Club in Waukegan recently. The 50 year skit of 10th District brought back pleasant memories for all.

Dr. and Mrs. W. C. Petty were still another couple to be honored by the Unit on their 50 wedding anniversary. There have been nearly two dozen couples the past few years to be so honored. Mr. Petty has been an Auxiliary member for many years, and the Antioch Unit is happy to show it's appreciation.

On behalf of the Antioch Unit, Mrs. Kennedy presented Mrs. Ray Rathmann, 2nd Division President, with a gift at the 2nd Division Convention. Mrs. Mary Chase, Sr., now deceased, was the first President of 2nd Division in 1934, while Mrs. Rathmann is the only other woman to serve in that capacity from Antioch. Every four years it is 10th District's turn to have a division president, so there are a number of other past division presidents from Lake County.

The annual Carnival of the Antioch American Legion and the Auxiliary started June 27th and will conclude July 4th. As always, many volunteers and a big-hearted public are in demand!

The 10th District Juniors of the American Legion Auxiliary held their annual picnic, swimming party meeting on June 16th, at the south shore beach of the mobile home park in Lake Zurich.

Election of district junior officers was held, with Susan Rathmann of Antioch, elected

Sue Rathmann

President; Doreen Schultz, North Chicago, Vice President; Colleen De Vries, Antioch, Secretary; Linda McCormack, Mundelein, Treasurer; Robin Chudzik, Lake Zurich, Historian; Jeannie Gleason, Libertyville, Chaplain and Patricia Gabris, Waukegan, as Sergeant-at-Arms. Wendi Dorn of Mundelein, will be the junior past district junior president.

The year's schedule for meetings and activities has not yet been outlined. In the past, hayrides, roller skating parties, slumber parties, Halloween fun, and indoor swimming parties have all been on the agenda, plus the five regular meetings. All these meetings and parties are available to all Junior members in Lake County (10th District) regardless of whether they are members of an organized group or not.

Juniors can participate in many of the American Legion Auxiliary's program, with the contests specifically designed for the various age categories. Some of the program contests are in the fields of Americanism (scrapbooks, essays); study of the American Indian, and correspondence with Indian children on reservations; choral singing in ensembles, trios, quartettes, etc.; doll dressing, essays and scrapbooks under the foreign relations program in line with the country being studied and aided monetarily that year; there is junior history and junior publicity press book competition; tray favors to be made for hospital trays as part of the rehabilitation program; and poppy corsages, centerpieces and poppy hats to be fashioned, as well as the selling of poppies, etc. In fact, through the various projects, there is nearly always some facet of interest to a Junior.

In attendance at the June 16th meeting were Mrs. Ray Rathmann, 10th District junior activities co-chairman; Mrs. Bernard De Vries, Antioch Unit junior activities chairman; and Juniors, Susan Rathmann, Colleen De Vries, Dianna De Vries and Annette Zitkus; all members of the Antioch American Legion Auxiliary 748.

TINY TOT SWIMMING PROGRAM

Hasting YMCA Cap announces a Tiny Tot swimming program for boys and girls three to six years of age. This course will be held at the YMCA's olympic size outdoor pool. This program is designed to give youngsters the opportunity to become adjusted in the water, attain swimming skills and learn to socialize with other children. Classes will be taught by qualified YMCA instructors. Two courses will be offered. Class A will meet every Tuesday from July 10 until August 21, and Class B will meet every Thursday from July 12 until August 23. A parent must accompany child in pool during session.

Hank Bessler, Resident Camp Director, said, "This is an important program for the community, filling the need for swimming classes for preschool youngsters. Also many children in the community have access to water areas which makes learning to swim important.

Additional information may be obtained by calling Hastings YMCA Camp at 356-5487 between the hours of nine and five.

LAKE COUNTY 4-H'ERS ATTEND CAMP

"Camp was an experience!" claimed one of the Lake County 4-H'ers upon returning home from 4-H Camp Shaw-Waw-Nas-See near Kankakee, Illinois. On the morning of June 18, 1973, Lake County campers and William Messerschmidt and Marilynn Jones, Lake County Assistant Extension Advisers joined Iroquois County for a fun-filled week of camp with an outstanding turnout of 270 campers and 30 counselors.

Probably no setting offers greater opportunity to teach co-operation, learning how to get along with other boys and girls, self-care and cleanliness, and knowledge in numerous subject areas such as nature, arts and crafts, recreation safety, etc. The camp day would begin with the early morning 6:30 a.m. swim and a few energetic youngsters. The rest of each variety-filled day consisted of delicious meals served by the 4-H campers, judging for the cleanest cabin award, river-raft trips, softball games, evening ceremonies or pow-wows, arrow hunts, night hikes, basketweaving, etc., directed by the Camp Shaw-waw-nas-See staff.

Camping is only one of the many activities available to 4-H'ers. For more information about 4-H clubs, first contact the Lake County Extension Office, Box 306, Grayslake, Illinois 60030, or visit the 4-H Building at the Lake County Fairgrounds during the 1973 Lake County Fair, July 25-29.

NEW RESIDENTS REGISTER SOON

New residents of Antioch High School District who will be entering the high school for the next term are enjoined to come to the high school to register as soon as possible.

Late registrants will suffer limitation on course selection.

AMERICAN POET

PAUL CARROL VISITS CLC

Distinguished American poet Paul Carroll will visit the College of Lake County on Wednesday, July 11 at 7 p.m., for a poetry reading and discussion open to the general public.

"In his poetry and public appearances, Paul Carroll is a one-man celebration of life," states CLC English instructor Ted Schaefer. "Hilarious, bawdy, profound, he instantly busts the popular stereo-type of the

poet as a morbid, whimpering neurotic. His readings are the best introduction to poetry, I know," Schaefer said.

Carroll, a professor at the University of Illinois Circle campus in Chicago, has published several books, including "Odes," "The Luke Poems" and "The Poem in Its Skin."

The reading will take place in the Quiet Lounge of the college's Student Center. Admission is free.

NEW HONORS FOR DR. GEORGE B. CALLAHAN

Dr. George B. Callahan of the St. Therese Hospital staff recently was certified as a diplomate of the American Board of Abdominal Surgery.

A long time diplomat of the National Board of Medical Examiners, Dr. Callahan was secretary of the organizing staff that founded St. Therese Hospital in 1929 and has twice served as its president. He also has been chief of surgery.

Dr. Callahan lives at 805 Baldwin, Waukegan. He is an active member of the Lake County Medical Society. He has presented papers to medical congresses all over the world.

M.S. REAL ESTATE TO OPEN

A new real estate firm will be opening its door for business on July 5th. The firm is under the name of M.S. Real Estate, and is independently owned by Lorraine Duetsch.

Lorraine has been a broker for the past 17 years and has worked for Nelson's Real Estate for the past 15 years.

Located on the corner of Beach Grove Road and Rte. 83, M.S. Real Estate will be employing two other employee's besides Lorraine. They are her son Bruce and Don Holdridge, who was formerly with Michael Warren. They will be handling Real Estate and Insurance; call 395-3207 or 587-0486.

BIRTHDAY

LAURA THAYER

On June 27th Royal Neighbors Olson Camp 459 met at the American Legion Hall to celebrate the birthday of Laura Thayer. A short business meeting was held and then everyone participated in the goodies served by Lillian Hand and Ellen Flint.

The next meeting of the Royal Neighbors will be July 10th.

ANNEXATION

COMMITTEE FOUNDED

On the recommendation of Village Trustee, Mike Haley, a temporary Annexation Committee was founded. The Village Board passed their approval of the committee on Monday, July 2 at the Board Meeting. Mike Haley will be the chairman and Irv Walsh and Bill Seemann will serve on the committee with him.

The purpose of the Annexation Committee is to meet with all of the involved property owners that will be annexed

along with the Santino Property if corridor annexation is to take place.

Haley said they should be concerned about the people who are caught in between and that their views should be made known and considered in any decisions that are made.

It was the opinion of the Board that if the Santino property is to be annexed they should be able to go all at once and not have to worry about the people in between at that time.

AND A NEW PARK IS BORN

On the recommendation of the Citizen's Park and Playground Committee and the Antioch Planning Commission, the Village Board approved the purchase of land for a recreational site at Monday night's meeting.

The area involved is bounded by North Avenue to the north, Highland Avenue to the east, First Street to the south, and Alima Terrace to the west. The size is approximately 2 1/2 acres

and includes lot No. 64 in Sequoia Terrace subdivision which is 80' x 135'. It was further recommended by the Committee that no additional property of this area be sold to residents of this immediate area.

On the South side of the property residents requested that they be able to purchase 35' of the property to deepen their own property, but the Committee recommended that this not be allowed.

The property is for sale by Mike Warren at a cost of \$30,000.00. It is requested that 50 percent of that amount be made as a down payment with the remainder of the amount paid by December 31, 1973.

After some discussion the Village Board voted to authorize their attorney to draw up the contract for the purchase of the land. Trustee William Seemann told the Board that \$15,000 of revenue sharing money would be used as a down payment and an additional \$15,000 of revenue sharing money would be paid at the end of the year.

The basic use of this area will be as a playground. Cliff Houghton, Chairman of the Committee, told the board that they are currently working on a tentative development of the property. He said they have considered tennis courts, swings and other playground equipment. He further commented that the property is too small to consider baseball diamonds, etc.

APPROPRIATIONS

SUGGESTED FOR RECREATION

The Citizen's Park and Playground Committee recommended to the Village Board at Monday night's meeting, July 2nd, that \$40,400 be appropriated for recreation for the 1973-74 fiscal year.

The breakdown for the appropriation has been set as follows:

\$6,000-for the purchase of new equipment
\$4,000-for maintenance cost

\$400-for needed surveying
\$14,000-for improvements, this would include the new blacktopping project

\$1,000-for electrical work
\$15,000-for the future purchase of land.

The purchase of the Mike Warren property is not included in this breakdown.

For the 1972-73 fiscal year, \$9,200 was appropriated for recreation and \$5,418.39 was actually spent during that year.

AQUA CENTER

DRIVEWAY TO BE PAVED

received many complaints about the drive and the dust raised by the unpaved road.

The Committee further recommended to the Board that the drive be made a one way drive. They suggested that there would be a one way entrance on Main Street and a one way exit off of Williams Street. This recommendation will be further studied.

SO-CI'E-TY

n.; pl. TIES. (L. *societas* fr. *socius* a companion; cf. F. *societe*; See *SOCIAL*) the relationship of men associated in any way to one another; companionship; fellowship; connection; participation.

UNIVERSITY AFLOAT INFO AVAILABLE

Attention 1973 Graduates of Antioch Community High School:

The high school has been

advised that complete details on the University Afloat, Chapman College, will be available about the first week in July.

Based on present knowledge it is expected that the scholarship that the parents/teachers/students team won in the channel 44 competition will cover all education and living expenses on the University Afloat. Personal expenses and travel expenses to and from the ship site in California must be borne by the student.

Any, class of '73 graduate, who wishes to apply should do so by July 10th, simply by coming to the Guidance Office at the high school and sign a sheet available for that purpose.

New Deductions

Young Eric John Stroner can boast of being born with a full set of grandparents. Born June 25, 1973 in Biloxi, Mississippi to Diana (Dede) and Richard J. Stroner, Eric tipped the scales at 8 lbs. 6 oz. and was 21 inches long.

Anxiously waiting to spread their love to him are grandparents, Milly and Dick Stroner of Antioch and Myrtle and Lloyd Lindholm of Racine, Wisconsin AND to top it off are GREAT grandparents, Stazie and John Mulac of California Subdivision, Antioch and Mr. and Mrs. James Stroner of Tarboro, North Carolina. Aunt Susan Stroner is going to be practiced up for holding that special young man.

Grandma informed us she is filling the freezer now since Dede, Richard and Eric will be coming home for a visit very soon. They want to be free to enjoy the baby instead of cooking. It's obvious Eric is a first grandchild in that family.

Richard is in the U.S. Air Force stationed in Biloxi, Mississippi.

by: Carol Drygas

CLEANING REPAIRS

Many cleaners offer minor repairs free on cleaning items, as we do and sometimes it's hard to determine when it's a free service and when it's work to be charged for. Also your cleaners that concentrate on speed usually don't have a tailor, but a clerk who can do some sewing, which limits just what they do. For the most part, you should receive services like replacement of buttons, sewing of seam rips, tacking of hems and linings, stitching the fly back down, tightening of buttons, all free, as part of the service. Any more specific repairs like holes and rips, tearing out of the armhole, replacement of zippers, etc. are done with a charge. The important thing is that you have a place to get these things done.

Carol

PM&L THE THREEPENNY OPERA

What makes a person give up at least six weeks of balmy evenings to rehearse for a play? What is the compelling force that brings many people down to the PM&L Theatre over and over again to try out for and participate in the productions—either on or back stage.

Those are questions that are very difficult to answer. Once a person is bitten by the "theatre bug", it is very hard to stay away from it. It's partly losing one's self in another role, partly creating something worthwhile that gives one a feeling of worth and achievement. It's also the cooperation and comradery of working with other people—in fact, an entirely new "family" is created each time a cast is chosen and begins working together on a common goal. It's a hobby; it's reaching out for a star; it's fun—and it's hard work.

PM&L's summer musical melodrama The Threepenny Opera which will be given July 21, 27, 28, and August 3 and 4, has a large cast of people from a wide area and representing a wide number of occupations. They also have had a considerable amount of theatre experience.

Jim Nutter from Russell who plays Macheath is a science teacher at the Hawthorne grade

Open House For Stillsons

This year marks the 45th wedding anniversary of Goldie and Melvin Stillson. They were married July 5, 1928 in South Dakota and have resided in Antioch since 1934.

Everyone is invited to an "open house" being given by their children (Dee Hauser and Melfred Stillson) on Sunday, July 15th at 1049 Spafford Street from 2-5 p.m. No gifts please.

school in Mundelein. He has performed in high school productions, with the Tyler Civic Theatre in Texas, and with the Pasadena Playhouse in California.

Rita Rosol (Polly) from Ingleside works at Baxter Labs. She was active in college dramatics and first came to PM&L in Man of La Mancha. Recently she played in Cactus Flower with the Avon Players.

Don Beveroth (Mr. Peachum) from Paddock Lake is an English teacher at A.C.H.S. He has had experience with high school dramatics and has directed in and directed numerous PM&L productions. Most recently he was in Man of La Mancha and Plaza Suite and directed You're a Good Man, Charlie Brown.

Charlotte Worswick (Mrs. Peachum) from Paddock Lake is a housewife and works part time at Foremost Liquors in Antioch. She has had experience acting and singing in high school and churches, and was assistant to the conductor at a Northern Illinois production of Threepenny Opera. She has been in PM&L's Music Man, South Pacific, and Oliver!

Lynn Zaehler (Jenny) from Antioch works at Baxter Labs and is a housewife. She was a dancer at the Playboy Club,

Elmhurst Country Club, Tam-o-Shanter C.C. and has done choreography for high school productions. She also danced in the Miss America pageant. Lynn joined PM&L with Season 12 and was choreographer for La Mancha and Charlie Brown.

Bill Clark, from Lake Villa, The Street Singer, who sings the famous ballad of "Mack the Knife" is band director at North Chicago and is choir director at the Milburn Congregational Church. He acted and sang in high school, college, and with Skokie Community Theatre.

Bob Andresen (Tiger Brown) from Kenosha works at American Motors. He was with Kenosha Community Theatre and Racine Theatre Guild. His last appearance with PM&L was as Bill Sykes in Oliver!

Other cast members are Phil

ANNUAL RUMMAGE & BAKE SALE

The ladies of St. Ignatius Episcopal Church, 983 Main Street, Antioch, will hold their Annual Rummage and Bake Sale on Friday July 13th from 10:00 a.m. until 9:00 p.m., and on Saturday July 14th from 10:00 a.m. until 1:00 p.m.

MEETING NOTICE

The Lake County Chapter of the National Organization for Women will hold a Rap Session on Thursday, July 5, 1973 at 7:30 p.m. at the YWCA, 437 North Genesee Street, Waukegan. The topic of discussion will be: What is femininity and what is masculinity?

Webster's says feminine is having qualities suitable to or characteristic of women; gentle, delicate, etc. Masculine is the same, strong, vigorous, manly, etc. Do you agree? If you accept Webster's definitions, then a man who is gentle is feminine and a woman who is vigorous is masculine. "Suitable" behavior for males and females will be the topic.

The Rap Session is open to the public.

Schwartz from Antioch who is staff photographer for the Antioch news; Hank Apostol from Antioch who works at Amco in North Chicago; George Blanksten from Antioch who is on the Northwestern Univ. Faculty; Bob Bundy from Fox Lake in advertising; Bill Sershon from Antioch working in Chicago; Dave Oelerich and Todd Seisser from Lake Villa, ACHS students; Nanci Eberman and Ricky Apostol from Antioch, housewives; Sue Abderholden from Antioch, college student; Phyllis Paulson from Ingleside, housewife; Charles Brown from Lake Villa, Eagle store employee; and Kathy Boarini from Antioch who is a college student and plays the role of Lucy Brown.

For reservations or further information call 395-9702.

HOMETOWN NEWS

ANTIQUES STUDENTS

NAMED TO PRESIDENT'S LIST

Two Antioch students have been named to the President's List at North Central College in recognition of their scholastic achievement during the spring term of the 1972-73 academic year. They were among the 133 named to the list.

They are Wendy P. Jensen, daughter of Mr. & Mrs. Robert Jensen, 477 First Street, and Cheryl L. Reckers, daughter of Mr. & Mrs. Preston J. Reckers, Jr., 466 First Street. Both are

juniors at the College.

To be eligible for the President's List a student must be enrolled for at least 2.5 course units during the term and earn a grade point average of at least 3.700 for that term or a cumulative average of 3.500. Grade points are awarded for completed course work on the basis of four for an "A", three for a "B", two for a "C", and one for a "D".

4 FROM ANTIQUES ON AUGUSTANA DEAN'S LIST

Four from Antioch are included on the Dean's Honor List for the spring quarter at Augustana College, Rock Island.

Elaine M. Wells, a sophomore, had a grade point average of 4.00 (straight A's). Miss Wells is a daughter of Mr. and Mrs. Richard Wells, Rte. 2.

Others on the Dean's Honor

List are: Bruce W. Carlson, sophomore, son of Mr. and Mrs. Walter H. Carlson, 343 Cedarwood Ln., Debra L. Herbert, freshman, daughter of Mr. and Mrs. William H. Herbert, Jr., 515 Winsor Dr., and Kirsteen A. McDowell, freshman, daughter of Mr. and Mrs. James McDowell, Rte. 2, 3rd St.

ELLEN McDOWELL ENTERED IN MADISON ART FAIR

In 1959, 43 artists participated in Madison's first Sidewalk Art Fair. Since that time, the Fair has grown steadily, becoming one of the largest events of its kind in the Midwest.

This summer, on Saturday and Sunday, July 7 and 8, more than 340 artists, and thousands of art patrons of all ages, promise to carry on the tradition in lively style.

The fair will run from 10 a.m. to 6 p.m. on Saturday, and from 10 a.m. to 5 p.m. on Sunday. Monday, July 9, has been scheduled as a rain date.

This year, for the first time, Fair participants were selected by jurying. More than 700 applications were received, making the judge's job a challenging one.

Participants in the Madison Fair will include Ellen

McDowell from Antioch with her watercolors.

The Fair is sponsored by the Madison Art Center, and Capital Times and the Central Madison Committee of the Chamber of Commerce. Ten percent of all artists' sales go to the Art Center for its annual exhibition and art education programs.

ROY S. METZEL

Marine Cpl. Roy S. Metzel, son of Mr. and Mrs. Bernard Metzel of 24 Grapevine Avenue, Antioch, Ill., was promoted to his present rank while serving at Marine Corps Base in Camp LeJeune, North Carolina.

ADLAI TO SPEAK AT DEMOCRATIC PICNIC

Senator Adlai Stevenson III will be the principal speaker at the forthcoming Democratic Party Picnic and Family Day, according to an announcement made today by Herbert L. Stern, Jr., Lake County Democratic Party Chairman.

State Representatives John S. Matijevich and Daniel M. Pierce and North Chicago Mayor Leo F. Kukla are also expected to talk.

The Picnic is scheduled to be held on Sunday, July 8, at the Serbian Monastery, located on Route 63, North of Libertyville and South of Route 120.

"While we expect the festivities to be in full swing from 12:00 Noon to 6:00 p.m., Adlai will probably speak sometime between 3:00 and 4:00 p.m.," Stern said.

Chairman of the event and in charge of arrangements is Stank Pekol, a Democratic County Party Board Member from District 2.

"And, of course, plenty of food and refreshments, all at moderate prices. To be specific, there will be a steer roast, bratwurst, tamales, tacos, ice cream, soda pop and beer."

"For those interested in active sports, there will even be pick-up softball."

So far as is known, the Republicans have not accepted the challenge. "The Democrats have already been practicing and I just think the Republicans are afraid of us," Stern said.

Admission to the Picnic is by donation of \$1.00, payable either at the gate or by advance ticket purchase. Children under 12 will be admitted free. Tickets are available at Democratic Headquarters at 215 Madison Street, Waukegan, Illinois (Telephone: 244-2870) or from local township Democratic chairmen.

ROTARY RED BALL STICKER DRIVE

The Antioch Rotary has started their Red Ball Sticker Drive again this year. In case of fire, a red ball sticker in a window tells the firemen where there are children sleeping or an invalid adult. The stickers are free and may be obtained at any of the following businesses: The State Bank of Antioch, First National Bank of Antioch, Antioch Drugs and Don Pittman Motors.

LALECHE LEAGUE

LaLeche League of Lake Villa-Antioch will meet 8 p.m. Wednesday, July 11th at 1903 Chesney Drive, Lake Villa. Topic for discussion will be Advantages of Breastfeeding to Mother and Baby. Babies are always welcome as well as any other women interested in learning more about the art of breast feeding. For more information call 356-8381, 395-6081, or 223-5861.

INDIVIDUALIZING READING TOPIC FOR READING COUNCIL MEETING

The Suburban Council of the International Reading Association (SCIRA), in cooperation with National College of Education, will hold its summer meeting on July 18.

This meeting, beginning at 9:00 a.m., will be held at National College, 2840 Sheridan Road in Evanston and feature Dr. Joe Nemeth of Bowling Green University as the main speaker. Dr. Nemeth, Bowling Green University Reading Center Director, will speak on "Five Ways to Individualize Reading." Also included in the

morning's program will be an exhibit of high interest-low vocabulary reading materials and open house at National College's Reading Center.

Admission is free to members of SCIRA and to students and \$2.00 for non-members. (The \$2.00 admission fee includes a one year membership in both SCIRA and the Illinois Reading Council.)

For further information, call National College, 256-5150, Ext. 70. All interested teacher, students, and parents are invited to attend.

NEW FEDERAL FUNDS FOR STUDENTS

Students who will be entering college or a Vocation School for the first time in September 1973, are advised of new Federal Funds which will be available in an amount up to \$600.00 per student. These funds are useable for any college expenses i.e., books, room and board, personal expenses, and may be in addition to other aid such as the Illinois Monetary Award. Further, if you qualify, the aid is an outright grant requiring no repayment.

Applications should be available at the Antioch Community High School early in July said Mr. Kurek, Director of Pupil Personnel Services. Call the high school or go to the Guidance Office for further details.

"TORK"
TALKS

by: Tork Torkelson
TRANSMISSIONS AND REAR AXLES

Most Ford, Mercury and Lincoln cars offer the popular combination of engine - with - automatic - transmission, up and down the line, either as optional equipment or standard, plus a choice of rear-axle gear ratios.

In the simplest terms, your choice of engine sometimes determines whether or not you have a choice of transmissions and what the choice may be. It also determines your choice of rear-axle ratios, and what that may be.

As for the standard - equipment rear-axle gear ratios that come with a particular engine, these are the ones Ford Motor Company engineers prescribe for average, all-around use the way millions of motorists drive.

HIGH HONOR ROLL—SECOND SEMESTER 1972-73

Wondering about all of the red flags on the many bicycles in Antioch? Well, John Teresi's has been passing them out for safety purposes. They passed out 386 flags on Saturday and hope to pass out as many as 900 before they run out of bicycles. (staff photo)

CLC SPONSORS PRE—SCHOOL CHILD CENTER

The College of Lake County is sponsoring a pre-school child center beginning August 27, 1973. "The Center provides organized activities for a maximum of 19 children from ages two to five whose parents are enrolled at the college and whose children meet the criteria for admission," according to Edward Snyder, CLC director of activities.

The center is located at the United Protestant Church in Grayslake and will be operated Monday, Wednesday and Friday

mornings during the first semester as a pilot program. "All participating children will be supervised by a qualified coordinator and two staff aids as well as selected volunteers," Snyder said.

All fall semester enrollees interested in the pre-school child center should call the CLC activities office at 223-8193 (223-6601 after August 15), extension 35, to request and application.

"Since there are a limited number of spaces available in

To make the High Honor Roll, a student must have 18 grade points and no grade lower than a "B". An asterisk will identify those students who

CUB PACK 192 PLANS POOL PARTY

Committee members and Den Mothers of Pack 192 are busy making plans for a pool party to be held Tuesday, July 10 from 8:00 to 10:00 p.m. at the Antioch Aqua Center.

The pool party is for all Cub Scouts in Pack 192 and their families. We also wish to include all boys and their families who have just registered or are intending to register for this fall.

Any boy who wishes to register for Cub Scouting may do so at the pool party. If you can not register at the pool party or have any further questions please contact Mrs. Alice Bessette, 395-0652.

On August 26 at 3:00 p.m. there will be a Pack Meeting and picnic at the park behind the Scout Houe. Arrangements are now underway for the picnic which will be highlighted with boiled corn for everyone.

this pilot program, it is important for applicants to complete registration and other forms for their children and forward them to the college at their earliest convenience," he said. "The completed registrations will then be reviewed by the college admissions committee and applicants will be notified as soon as possible as to the status of their children's applications," he said.

earned a straight "A".

CLC INCREASES TUITION

The College of Lake County Board of Trustees has voted to increase tuition for the 1973 fall semester by \$1. The new tuition will be \$10 plus 75 cents activity fee for each semester hour.

CLC President Richard Erzen said that this is the college's first tuition raise in three years. "The Board voted the increase to meet rising expenditures and maintain a balanced budget," he said.

A revenue comparison shows that, proportionately, college student tuition and fees has

decreased from 20.9 percent in the 1971-72 academic year to 18.6 percent for 1973-74. The tax portion has increased during this same period from 32 percent to 35 percent, while state apportionment increased from 34 percent to 39.4 percent.

"A check of other area community colleges illustrates that the College of Lake County tuition is still reasonably low," Erzen said. "Harper College, for example, recently raised its tuition to \$14 per semester hour."

FIRST FIRE PROTECTION DISTRICT BUDGET

AN ORDINANCE SETTING FORTH THE BUDGET AND MAKING APPROPRIATIONS OF SUMS OF MONEY FOR ALL OF THE NECESSARY EXPENDITURES OF THE "FIRST FIRE PROTECTION DISTRICT OF ANTIOTH TOWNSHIP", LAKE COUNTY, ILLINOIS, FOR CORPORATE PURPOSES FOR THE FISCAL YEAR BEGINNING MAY 1, 1973, AND ENDING APRIL 30, 1974.

WHEREAS, there has been prepared in tentative form, a budget and appropriation ordinance for the First Fire Protection District of Antioch Township, Lake County, Illinois, and the Secretary of said Fire Protection District has published in the Antioch News a notice of the time and place for the holding of a public hearing thereon and has made the tentative budget and appropriation conveniently available to public inspection for at least one week prior to final action thereupon;

AND WHEREAS, a public hearing was held as to such budget and appropriation ordinance on the 26th day of June, A.D., 1973, at 8:00 o'clock P.M., Central Daylight Savings Time, and all other legal requirements have been complied with;

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF TRUSTEES OF THE FIRST FIRE PROTECTION DISTRICT OF ANTIOTH TOWNSHIP:

SECTION 1: That the fiscal year of this Fire Protection District shall be and the same is hereby fixed and declared to be from May 1, 1973, to April 30, 1974.

SECTION 2: That the following budget, containing an estimate of the cash expected to be received by said Fire Protection District during such fiscal year from all sources, an estimate of the expenditures contemplated for such fiscal year and a statement of the estimated cash expected to be on hand at the end of such year, be and the same is hereby adopted as the budget of said Fire Protection District for the said fiscal year and shall be in full force and effect from and after this date:

ESTIMATED RECEIPTS

1. Cash balance, beginning of year	\$ 16,517.37
2. Estimated amount of cash that will be received during this fiscal year from all sources	19,000.00
3. Total Estimated Receipts	35,517.37
4. Total of estimated expenditures for fiscal year	35,000.00
5. Estimated cash to be on hand at end of fiscal year	517.37

SECTION 3: That the following sums of money be and the same are hereby appropriated for the corporate purposes of said First Fire Protection District, herein specified, for the fiscal year ending April 30, 1974.

1. ADMINISTRATION EXPENSE FUND

a. For postage and office supplies	\$ 15.00
b. Printing and publication	150.00
c. Telephone answering service	1,200.00
d. Convention expense	650.00
e. Membership in municipal organization	150.00

2. LEGAL EXPENSE FUND

For legal services and expenses	400.00
---------------------------------	--------

3. FIRE PROTECTION FUND

For purchase of fire equipment and apparatus	20,000.00
--	-----------

4. FIRE EQUIPMENT MAINTENANCE FUND

a. For repair and maintenance of fire equipment	1,000.00
b. For gas and oil for fire equipment	25.00

5. SALARY FUND

a. For compensation to firemen	7,500.00
b. For compensation to fire chief	250.00
c. For compensation to trustees	500.00

6. RENT FUND

For lease of fire equipment and storage thereof from the Village of Antioch, pursuant to contract	1,200.00
---	----------

7. INSURANCE FUND

For insurance on equipment	1,300.00
----------------------------	----------

8. CONTINGENT FUND

For miscellaneous and contingent general expenses, unforeseen and not included in any of the above items	660.00
--	--------

SECTION 4: That the unexpended balance of any item or items of any appropriation made by this Ordinance may be expended in making up any deficiency in any items in the same general appropriation made by this Ordinance.

SECTION 5: That should any clause, sentence, paragraph, or a part of this Ordinance be declared by a Court of competent jurisdiction to be invalid, such decision shall not affect the validity of the Ordinance as a whole or any part thereof other than the part so declared to be invalid.

SECTION 6: That this Ordinance shall be in full force and effect

after its passage, approval, and publication, in accordance with the law.

LEGAL

ZONING NOTICE
OF PUBLIC HEARING
VILLAGE OF ANTIOTH,
ILLINOIS

TO WHOM IT MAY CONCERN

A public hearing will be held at the Village Hall, 874 Main Street, Antioch, Illinois, on Tuesday, July 17, 1973, at 7:30 p.m., on the following:

PETITIONERS: Kenneth C. Mazzuca and Joseph Martinucci, beneficiaries under Trust Agreement with American National Bank and Trust Company, Trust No. 77661.

LOCATION OR ADDRESS OF PROPERTY INVOLVED:
1221 South Main Street, Antioch, Illinois (Route 83)

LEGAL DESCRIPTION:
That part of the South half of the North half of Section 17, Township 46 North, Range 10, East of the 3rd P.M., described as follows: Commencing at a point on the center line of Fox River Road (State Route 83) on the North line of the South half of the North half of said Section 17; thence South Easterly along the center line of said Road, 291.15 feet, more or less, to the North West corner of Thayer's property by Document 638178; thence Easterly along the Northerly line of said Thayer's property, 190.0 feet to the North East corner thereof; thence South Easterly along the East line of said Thayer's property 26.37 feet; thence East parallel with the South line of property conveyed by Document 459652, to the Westerly right of way line of the Minneapolis, St. Paul and Sault Ste. Marie Railway; thence North along the Westerly line of said railway, 108.05 feet, more or less, to the South East corner of property conveyed by Document 459652; thence West along the South line of said premises conveyed by Document 459652; a distance of 494.30 feet, more or less, to the center line of Fox River Road; thence South Easterly along the center line of said road, 127.0 feet to the place of beginning, in Lake County, Illinois.

CHANGE IN CLASSIFICATION SOUGHT: The above property is zoned R-5, Multiple Family Dwelling District except the south 16.37 feet thereof, and the petitioners request reclassification of the south 16.37 feet from R-1, One Family Dwelling District to R-5 Multiple Family Dwelling District.

All persons desiring to appear and be heard thereon for or against said petition, may appear at said hearing and be heard.

Dated this 2nd day of July, 1973.

ANTIOCH, ILL. 395-3600

(Week of July 6-12)

ARIES (March 21-April 20): Vacation may be on your mind, but don't let this interfere with work or civic projects. Relatives or friends may make a surprise visit. Entertainment is well aspected. An excellent period for pursuing romantic interest. Best days: Monday, Wednesday.

TAURUS (April 21-May 20): It's best to get routine matters settled, so you can be ready for sports or social activities. Family difficulties could arise, but don't let minor problems upset your generally cheerful mood. News from afar is indicated and it could be favorable! Best day: Thursday.

GEMINI (May 21-June 21): Saturn still influencing your sign, making you determined to succeed on the job or in creative projects. Week ahead is well suited for both career advancement and completing unfinished projects that interest you. Romantic cycle at low ebb; Best days: Monday, Tuesday.

CANCER (June 22-July 21): Go slow in making major decisions. This is not a favorable period. Air family difficulties frankly and you may be surprised by the results. Best day: Monday.

LEO (July 22-Aug. 22): Popularity can be yours if you work at it. Be your usual friendly self and social affairs can become a pleasant and enjoyable experience. Creative projects favored latter part of week. Best days: Tuesday, Thursday.

VIRGO (Aug. 23-Sept. 22): Financial aspects show a positive trend. An unexpected turn of event could turn out to be a lucky break for you. Pay attention to the moods of a loved one. They may need reassurance. Best days: Monday, Tuesday.

LIBRA (Sept. 23-Oct. 22): Stick close to home over weekend if possible. Family responsibilities may occupy your thoughts and time. Later in week, financial prospects can improve if you carry through on the necessary details. Avoid expressing moodiness. Best days: Tuesday, Wednesday.

SCORPIO (Oct. 23-Nov. 22): Moon in your sign makes this an awkward time for seeking changes in personal or career matters. Forget your cares over the weekend and concentrate on activities that interest you. Best days: Saturday, Tuesday.

SAGITTARIUS (Nov. 23-Dec. 21): A quiet and rather routine period can give you time for much needed self-reflection. If you've been thinking of making a decision to move or other major change, be sure you consider every aspect. Do not take offense at actions of others. Friends can be unpredictable. Best day: Thursday.

CAPRICORN (Dec. 22-Jan. 20): Signs favor activity associated with finances, career goals. Weekend can be a time for shopping for bargains. Avoid travel if possible or be extremely cautious if you must be around automobiles or machinery. Best days: Saturday, Wednesday.

AQUARIUS (Jan. 21-Feb. 18): Take some time to yourself this weekend. Everyone needs a period for self-analysis, contemplation. Avoid saying things on impulse that you might regret later. Not a favorable time for romantic endeavors. Best day: Thursday.

PISCES (Feb. 19-March 20): Romantic daydreams may be pleasant, but don't allow them to interfere with necessary duties. Difficulties at home and at work may make this a period of tension unless you are realistic and objective. Do not get into arguments with superiors. Best day: Friday.

Obituaries

MRS. BARBARA HORTON KIRK, 44, of 333 West Baker Street, Manteno, Illinois passed away June 25, 1973.

She was born April 26, 1929 in Antioch, Illinois. She was preceded in death by one Brother David Horton and her Father Louis Horton, a former resident of Antioch.

Survivors include her husband, Dale Kirk and four children, Keven Dean, Brian Jean, Shannon May, and Colen Shawn Kirk all living at home in Manteno, Illinois, her Mother Mrs. Louis (Elsie) Horton, one Brother Charles Horton and one Sister Mrs. Craig (Karen) Kublank all living in Spring Branch, Texas.

Funeral services were held at 2:00 p.m. June 27 (Wednesday) in Bulwerde, Texas.

Christian Science

Through the New Testament in the Bible, we read of the wonderful healings by Christ Jesus. In Luke 9 he said "If any man will come after me, let him deny himself, and take up his cross daily, and follow me."

On the Lesson-Sermon entitled "Sacrament" this Sunday at First Church of Christ, Scientist this citation from Science And Health With Key To The Scriptures by Mary Baker Eddy will be read: "IF we wish to follow Christ, Truth, it must be in the way of God's appointing."

Services are conducted by Mrs. Barbara Conzelman, First Reader, and Mrs. Lorraine Wirt, Second Reader, At First Church of Christ, Scientist, BEACON HILL, Route 173 and Harden, Antioch, Illinois. The service is at 11 a.m. All are welcome.

MRS. FLORENCE M. NELSON -72 yrs. old of 7200 Sheridan Road-Chicago, Ill. passed away on Monday, July 2nd, at the Lake Shore Nursing Centre in Chicago. She was born March 29, 1901 at Lake Villa, Ill. the daughter of Frank & Catherine Galiger. She had resided in Lake Villa, then moved to Grayslake for 2 yrs.-Elgin in 1939 and to Chicago in 1970. She had been a member of St. Bede Catholic Church. She was preceded in death by her husband Henry Nelson in 1932-1 son Daniel Nelson in 1932-1 brother Everett Galiger in 1965 and a sister Helen Smart in 1962.

Survivors are 2 daughters Miss Marion Galiger (Chippewa Falls, Wis.)-Mrs. Patricia Galiger (St. Petersburg, Florida)-4 sisters Mrs. Ida Olson & Mrs. Julia Nicolai (both of Waukegan)-Mrs. Mildred (Joseph) Hucker (Lake Villa)-Mrs. Genevieve Fillweber (Antioch)-& 1 grandson.

A funeral mass will be held at 10:00 a.m. Thursday (July 5th) at Prince of Peace Catholic Church at Lake Villa. Interment will be in Fox Lake Cemetery near Lake Villa.

THANK-YOU

I wish to thank my friends and neighbors for their thoughtfulness during my recent stay at the hospital. And I am especially grateful to the Antioch Rescue Squad for their excellent job.

Tony Bishofberger

IN MEMORIAM

We miss you now, our hearts are sore
As time goes by we miss you more,
You loving smile, your gentle face,
No one can fill your vacant place.

Karleen and Family
1-c

LOVING MEMORIES JUDY VEJVODA FRASCH

Your gentle face and patient smile

With sadness we recall
You had a kindly word for each
And died beloved by all.

The voice is mute and stilled the heart

That loved us well and true,
Ah, bitter was the trial to part
From one so good as you.

You are not forgotten loved one
Nor will you ever be,

As long as life and memory last
We will remember thee.

We miss you now, our hearts are sore,

As time goes by we miss you more,
Your loving smile, your gentle face,

No one can fill your vacant place.

NOTICE OF PUBLIC HEARING ON HEATING OIL AND GASOLINE SUPPLY CRISIS

JULY 10, 1973

The Energy Crisis Investigating Committee of the Illinois House of Representatives will hold a public hearing on Tuesday, July 10, 1973 at 11:00 a.m., in the Main Hearing Room of the Illinois Commerce Commission, 19th floor State of Illinois Building, 160 North LaSalle Street, Chicago, Illinois. The purpose of the hearing will be to determine the nature of the heating oil crisis facing our state in the fall of 1973 and its relation to the current gasoline shortage. Lead-off witness will be Chairman Marvin Lieberman of the Illinois Commerce Commission. Witnesses from the petroleum industry, independent oil distributors, public utilities, and businesses that will feel the economic impact of the fuel oil and gasoline shortage will testify. Suggestions for additional witnesses will be welcomed by the Chairman.

Daniel M. Pierce
Chairman

"Hindsight's Better Than Foresight"

by: Rev. Eugene Keusal

In Antioch we just don't see it. However outside St. Anthony, Idaho you can see it. You can be in a field green with life. You can look to the right and see sand and desert. You can look to the left and see mountains full of snow. For us it's an unusual sight. For the people in Idaho it's an everyday possibility.

Green vegetation, cold snow and dry sand are unusual in a small geographical location. Yet there are conditions that make it possible. Every person is unique. All of us are products of various conditions and experiences. It is rare to find members of a family who are identical or even similar.

Most people live in communities. They live among people-people who are unique-people who are different from themselves. You and I are different. But in general we find it easy enough to live together.

There are times when we do not recognize or appreciate the differences of other people. Yet artists tell us that one of the ways in which beauty is produced is through contrast-vegetation, snow, sand. Unique people living together differ in experiences, customs, traditions. We should be able to see beauty in contrasting people and situations. As people we will then grow. As Christians we will then be able to make, "yesterday's hurt today's forgiveness rewoven into tomorrow's understanding and love."

THE SALVATION ARMY CAMP WONDERLAND CAMP LAKE, WISCONSIN

Needs: 5 male counselors. Minimum age - 19, minimum
education - 1 year college. Applicants must not smoke or drink
and must be willing to accept the challenge of working with 7-12
year old boys from inter-city Chicago.

Also needed are lifeguards and cooks.

Apply immediately. For information call (414) 889-4606.

A.J. OWENS IN TRAINING CAMP OF RIFLES

Anderson Joseph Owens III from Northwestern University is one of the many promising rookies now in the training camp of the Lake County Rifles professional football team.

Better known as A.J. Owens, last year he was second in kick-off returns in the Big 10 with an average of 22.5 yards per return. Owens said his biggest thrill was a 65 yard return against Ohio State last season.

He also plays as a flanker. Owens attended De La Salle high school in Chicago and now lives and works in Evanston.

While many good rookies are in the Rifles camp, Coach Bob Franz said there is a serious shortage of offensive linemen. He is searching nationwide for players to fill these positions.

Fulback Abe Brown who lettered twice at Boise State where he was an all-West Coast selection and lettered twice at the University of Hawaii, is rated as enjoying an excellent chance to make the squad. Brown at 6 feet weighs 225 pounds.

Another outstanding rookie is speedster Larry Ball, a flanker and halfback who at Farragut high school in Chicago won

all-Chicagoland honors and at Arkansas A & M was named the most valuable freshman player.

Offensive tackle Gary Lee Beller also is rated as having an excellent opportunity of making the team. He was a three time letterman at Montana State University and is a resident of Anchorage, Alaska.

Also joining the team is Sidney Williams a half back who played high school ball at Hyde Park in Chicago and at Drake and Harvard universities. He has just returned from more seasoning from a tryout with the Hamilton Tiger Cats in the Canadian Football League.

Thomas Frazier from Wheaton College twice earned the best blocker award. A resident of Wheaton his blocking ability may be badly needed if the gaps in the Rifles forward wall are not filled with top professional linemen.

The Rifles will open the 1973 football season with an exhibition game against the Manitowoc Chiefs at 7:30 p.m. July 21 in Carmel field on highway 176 in Mundelein. A portion of gate receipts will go to United Way of Lake County.

CIRCULATION MANAGER NEW OPENINGS IN GRAYSLAKE

Work with one of Chicago's finest companies in the area of newspaper distribution. As a DISTRICT MANAGER you will be responsible for all distribution, collections, and sales of the Chicago Tribune or Chicago Today in a Grayslake territory.

Full on the job training provided. Excellent starting salary and benefits, including 4 weeks paid vacation during third year of employment, hospitalization and other benefits.

Ability to handle routine record keeping. High School graduate or equivalent.

LAKE COUNTY LAKERS WOMEN'S SOFTBALL

The Lake county Lakers Women's 12" Softball team is in full swing for this season. Time for all games unless otherwise noted are Friday - 8:00 p.m., Saturdays and Sundays - 7:30 p.m. All home games are played at Ivanhoe Field located on Rte. 83, 1 mile north of Rte. 176.

The Lakers won both games against Geneva on June 20 at their home field. They scored 5 runs on 7 hits and 2 errors in the 3rd, sending 10 batters to the plate. Jan Doody of Mundelein, had a 2 run single in the inning.

Marcia Fox of Antioch led off the 4th with a triple and came home with deciding run on a sacrifice fly by Debbie Kaminske. Darlene Knoblock pitched 7 innings, and let 3 walks and 8 hits. Lakers 8 - Geneva 7.

Linda Boyer 2 4
Marcia Doolittle 3 4
Marcia Fox 1 1 4 2
Pat Hughes 3 3 2

Hits By S Tr AB RBI

Game two was a shutout with Geneva 0 - Lakers 8. Marcia Fox pitched her third shutout of the season and second in the league allowed only three runners to advance to third base. Marcia is not 3-0 in the League and the team 7-1, the lone loss to Lombard. In the fifth the Lakers sent 10 batters to the plate. Of the first nine, eight reached safety. There were 6 singles and a two run triple by Marcia Doolittle.

Hits By S Tr AB RBI
Linda Boyer 2 4
Marcia Doolittle 1 4 2
Wendy Gee 3 3
Kim Case 2 3
Pat Hughes 1 3 2

The June 22 games against Fox Valley Lassies was disaster for the Lakers. The Fox Valley Lassies won both games. Game one's score was 18-0. The Lassies are leading the League with a 6-0 record, with the Lakers close behind with 7-1 before game time.

Game two's score was Lakers 6 - Fox Valley Lassies 8. The 3 Lakers errors figured in 3 unearned runs for the Fox Valley team. Doody of Mundelein had a two run homer in the second. Marcia Fox suffered her first loss in the league after 3 wins. Two of her wins have been shutouts.

The Dundee Mavericks overtook the Lakers on the 24th of June, winning both games against the Lakers. Game 1 score was Dundee 6 - Lakers 5.

Again the inability to catch or field the ball cost Fox and the

Lakers a ball game. Errors at crucial times seemed to be the downfall. Kaminske hit a 2 run double in the 7th, but it just wasn't quite enough to put the Lakers ahead.

Game two with the Dundee Mavericks ended with the same score of 6-5 in favor of the Mavericks. The Lakers couldn't get the clutch hit, leaving 12 girls on base. Kim Case led the game off with a home run over the left fielders head. Wendy Gel got an RBI triple in the 3rd. At the end of the Dundee game the Lakers League record was

HARRIS HEAT & FEATURE WINNER AT WILMOT

too close to Ninneman and that brought out the red flag on the 8th lap. Ninneman was out for the night and one lap later, the red flag was out again when Roger Iles, Waukegan and George Uttech, Kenosha collided trying to avoid a spinning Don Sorce. On this restart, Schultz was back and finished the feature in 8th position.

The 15 lap semi-feature was cut short on the 13th lap when Jim Moulis was left in the second turn with a broken racer. The win went to Joel Reimer, Milwaukee. His brother, IRA Champion Johnny Reimer, dropped out of this race as well as an earlier heat and did not earn a single point for the night.

The 12 lap consolation race was won by Joe Fote, Milwaukee and 10 lap heat wins went to Ray Dopp, Palatine; Bill Klein, Burlington; Harris and Carmen Menzardo, Antioch. Aaron Solsrud, Menomonee Falls set fast time at 18.81 seconds but was only 14th in the

waukegan speedway sunday night

Tom Jones of Northbrook recorded his second feature win at the Waukegan Speedway Sunday night bettering a field of 16 late model 'super stocks' in the Wicke Filter's 50-lap main. Jones took the lead for good on the 15th lap.

Rich Kleich of Chicago took second spot away from Ed Hoffman of Niles on the white flag lap as the largest crowd was on their feet when these two encountered two slower cars at the checkered. Larry Schuler took fourth money in front of Bobby Wawak, Gary Zobel and Bob Roper.

Roy Acuff paced the main just one lap before Lee Schuler raced in front until the 6th lap. Kleich, who earlier won the dash, then pushed past Schuler for number one spot with Larry Schuler following through in second.

Jones worked his way by Schuler for second on the 13th lap and then passed Kleich two laps later. Hoffman took second

feature finish after exiting early.

The Sportsman stock car feature was won by Ron Fryer, Milwaukee who had taken the lead from Dwight Swartz, Caladonia on the 19th lap. Swartz finished fifth behind Ray Dobbs and IRA's Sportsman stock car racing team Sid and Duke Norton, McHenry. Ken Hedler, Oak Creek won both the semi-feature and a heat with both heats being won by Swartz and Dobbs.

Sid Norton record fast time for these cars with a single lap run of 21.26 seconds.

on the 17th lap and looked ready to challenge Jones when the red flag flew for a pile-up in the 20th lap...but Jones in his Meister Brau Camaro ran away on the restart.

The final 10-laps saw Kleich and Hoffman bumper-to-bumper and side-by-side much of the way before Kleich slipped into the runner-up spot as starter Gordie Sill's white flag flew. Larry Schuler, who earlier won the second heat, drove a steady race for fourth.

Several of the top point leaders didn't finish the main as Lee Schuler dropped out in the 39th lap with engine trouble and Dave Evans failed to start after his car broke an axle and threw a wheel in the warm-up period. Hoffman had the night's best time at :14.44 and was second in his heat race.

Ed Dunne of Island Lake had a big night in the hobby class winning twice while the other event went to Sonny Sears of North Chicago.

SPORTS

ANTIOCH VS ROUND LAKE

On June 25, Antioch squeezed out two late inning runs to beat Round Lake 5-4.

Both teams scored three runs in the first inning. Round Lake's came on a walk, a triple, and two wild pitches. Antioch's came when Rick Sedar hit the first pitch of the inning to center for a triple and after Tom Underhill's walk, scored on a Tim Mieure single. Fred Popp walked to lead the bases and Steve Vazquez drove in Underhill on a single to left. Round Lake allowed Tim Mieure to score the last run of the inning when Frank Pleviak hit into a force play at second base.

Round Lake got their last run of the game when, with men on second and third, a single was hit to right scoring the man on third, but an extraordinary throw by Steve Vazquez nipped the man on second at the plate.

Round Lake kept the 4-3 lead until the fourth inning. Rick Sedar led off with a single and advanced to second on a bunt by Tom Underhill. One out later, Fred Popp's clutch single to center scored Sedar.

Antioch took the lead for good in the fifth when Frank Pleviak doubled to left and after Scott Vazquez's bunt single, scored on another double to left by Mark Maras.

Tom Underhill settled down after the second inning, giving up no hits and allowing only two men to reach base, both on walks.

ANTIOCH VS ZION

On June 27, Antioch won their third game in a row and made their record 5-3 by beating Zion 3-0.

Tim Mieure got his first of two hits, the only ones for Antioch, in the first inning. With one out, Mieure got a scrappy infield hit, stole second, and scored on an error by the first baseman.

The last two runs came in the sixth inning. Rick Sedar led off by getting hit by a pitched ball, went to third on Tim Mieure's double to left, and scored on Fred Popp's fly to center. Tim Mieure advanced to third, and

later scored on a wild pitch.

Fred Popp not only pitched effectively, but the fielding behind him was also superb. Twice, in the second and the third innings, there were men on second with one out, and both times were thrown out on ground balls to Tim Mieure, the shortstop, and were tagged out on close plays by Frank Pleviak, the third baseman. Only three men faced Popp in the fifth inning, and four men the rest of the innings.

ANTIOCH VS WAUKEGAN

On June 29, Antioch moved within one game away from Waukegan, the first place team, by beating them, 8-4.

Waukegan drew first blood by getting one run in the first but Antioch overcame the lead immediately. Rick Sedar and Tim Mieure started things rolling by lead-off infield hits. Fred Popp knocked them home on his double to left. He then went to third on a passed ball, and after Steve Vazquez walked, scored on Frank Pleviak's fly to left. Vazquez then scored on Tom Underhill's double to right.

Antioch broke the game open in fourth sending ten men to the plate for another four run rally. With one out, Rick Sedar walked, went to second on a wild pitch, and went to third on Tim Mieure's single. The delayed steal was again successfully executed, Mieure going down to second and Sedar breaking for the plate on the throw down. Mieure then scored on Fred Popp's triple to left, his third RBI of the game. Popp then scored on a wild pitch to make the score 7-2. One out later, Frank Pleviak reached first on the shortstop's error, went to second on Tom Underhill's walk, and scored on Mike Gutowski's single to center.

Tom Underhill pitched thru the first five innings with little difficulty, but was touched for two runs in the sixth highlighted by a single and a triple. After the game he commented, "I was ready for this game all day. I really wanted to beat them. My elbow I injured during school this year started to hurt

ANTIOCH SWIMMERS SCORE AN UPSET

The Antioch Swim Team sponsored by the State Bank of Antioch really began its season in a big way! The team had 3 meets the first week; winning two of them and losing only one. Their first meet was in the rain at Plum Grove in Palatine and they suffered a loss by 176-197. Then Antioch hosted Lake Forest Club in a home meet and with determination and some very good swimming won that meet 207-167. Antioch swimmers liked the idea of winning so took on the always tough KYF team from Kenosha, Wis. in a non-conference meet at Antioch. With fine swimming from the older boys and girls in particular, Antioch came out on top, before a large crowd of spectators, 223 1/2 to 183 1/2! This week the team travels to

Waukegan for a conference meet with Brentwood on Tuesday evening and then Saturday afternoon travel to the Libertyville Hgh School where they'll take on the newly-formed Libertyville team.

Top swimmers for Antioch in the 3 meets are Ed Berry (15-16) undefeated so far, John Schmidt and Greg Shepard (9-10) who alternate first and second in the 25 yd. freestyle, Phil Jaworek (11-12) undefeated in 50 yd. backstroke, Judy Houghton (9-10) undefeated in 25 yd. breast, Dave Berry (15-16) undefeated in 50 yd. back. George Bessette and Craig White and Carl Amundsen are top performers for the 8-under age group as are sisters Cindy and Sherri Knight.

Top swimmers so far for 9-10 are Theodore Bessette, Mark

Shepard, Cindy Carney, Jean Cilik and Sally Taplin. Consistent swimmers for the 11-12 year olds are Margaret Bessette, Jenny Schmidt, Carol Berry, Rod Taplin, Chuck Auxier, Jack Fields, Dave Walpole. 13-14's have good swimmers in all strokes, Chris Walpole, Sue Berry, Eva Auxier, Lynda Fields, Mary St. Pierre, Frank Bessette, Alan Jaworek, John Kakacek, Jerry Schmidt, Shane Bailey. The older age groups top swimmers are Jeff Schmidt, Bob Dodd, Mike Jaworek, Kit Kakacek, Kim Klopp, Gina Teresi, Martha Hollenhorst. The 17-18 year olds (not eligible for conference meets) are Mike Muro, Judy Berry, Barb Dodd and Sarah Hollenhorst.

WAUKEGAN SPEEDWAY — SATURDAY NIGHT

Lou Clavey of Deerfield laid back in the early going, but scored his third feature win of the year at the Waukegan Speedway Saturday night in the 50-lap late model "sportsman" feature event. Dennis Topcik of Waukegan was second and Ed Richter of Libertyville third.

Point leader George Dukas of Zion received a stiff two week suspension from the Waukegan Speedway following a fight in the pits after the feature event. While the hobby stock final event was racing on the track, distracting track officials, Dukas allegedly struck J.P. Gatti,

after the fourth, but I still had control."

Jr., of Wheeling.

By the time track officials arrived on the scene, Gatti required hospital attention. Apparently Dukas felt Gatti had intentionally spun him out in several occasions. Dukas will not be eligible to run at the Waukegan track until July 15, although his car No. 64 may be driven by other drivers.

The 50-lap feature was a wild affair with only seven of the original 18 starters finishing. Richter led the opening 11 laps before Gatti took over following a tangle with Dukas. Gatti held top spot until the 40th lap when he and Dukas, who had already been black-flagged, collided with Gatti receiving a cut tire.

Richter took over in the next lap before Richter dropped back with a bad tire. At the finish Clavey had a one lap lead on the entire field. Earlier Gatti had won the dash and the fast heat, in a last-lap decision over Dukas. The other heats went to Keith Borg and Richter while Borg won the 12-lap consolation race.

The Waukegan Speedway will have a "powder puff" derby as the added attraction in two weeks while the first head-on demolition derby of the year takes place at Waukegan next Saturday night, July 7th.

Sunset. The End.

Time for reflection on what has gone before.

A solitary time, a quiet time.

But sunsets can also mark beginnings.

If a day is ending, a new day can begin.

Such is a time for inner resolutions.

Time for sharing, a feeling which must be spoken.

Yes, something new began with the sunset . . .
